Solid Front Presented to Angora Demand in Reply Flatly Declining to Surrender Constantinople

Must Not Delay Near East Parley

Allies Agree Conference Is Essential at Once; War Danger Still Looms

> By Wilbur Forrest Special Cable to The Tribune

PARIS, Nov. 6.—Alarm in Allied rcles, growing out of the menacing ttitude of the Angora Turks, to-day brought about a resolution to present solid Allied front against the Turksh demands for Allied evacuation of Constantinople and Turkish control of Allied warships negotiating the Straits. A common Allied answer to these Turkish demands went forward tonight, and will be communicated to Hamid Bey, the Angora representative at Constantinople, to-morrow. It contains a flat refusal to both demands.

at Constantinopie, to-morrow. It contains a flat refusal to both demands.

[The Havas correspondent at Constantinopie was informed yesterday, according to an Associated Press dispatch received in New York, that the Turkish Nationalist government yesterday forwarded a note to the Allied High Commissioners at Constantinopie stating that warships of all nations must seek authorization from the Angora authorities to pass the Straits of the Dardanelles.]

The Allies are agreed that the Lauzanne Near Eastern Conference, scheduled for November 13, must not be delayed a single day, since it is extremely urgent not only to receive the Angora government's explanation of its bizarre attitude of the last few days, but to being as well settlement of the Near Eastern question before further complications arise.

France Will Co-operate

### France Will Co-operate

It was admitted here to-day in government circles that, despite France's traditionally friendly attitude toward the Angora government, as evidenced strongly in Premier Poincare's intervention in the Turk's behalf during the recent crisis with the Allies, the French position henceforth will be one of close in position henceforth will be one of close may. The danger of war in the Near East is now regarded by no means averted.

ity The Tribune learns that, prior to the dispatch of this reply, Hugo Stinnes and a group including other prominent German industrialists had the dispatch of this reply, Hugo Stinnes and a group including other prominent German industrialists had been conducting conversations with members of the Reparation Commiscated their intention to sabotage all proposals for settling the reparation problem that emanated from the Wirth government. Their aim is to force the overthrow of the present German Cabinet, in which the Socialists play so large a part, and form a government with representatives of industry and big business at the head. When this overthrow comes Stinnes and his partners will step in with a comprehensive economic and financial plan, which they say will be acceptable to France and all the Allies.

Setts.

Wet Issue in California
California is expected to return Hiram W. Johnson to the Senate. Beer and wine is an issue in the Governor-ship fight.

In Wisconsin the re-election of Robert M. La Follette to the Senate, as well as the election of nine Republican Representatives, is generally conceded. Socialists assert Victor Berger will be resentatives of industry and big business at the head. When this overthrow comes Stinnes and his partners will step in with a comprehensive economic and financial plan, which they say will be acceptable to France and all the Allies.

United States Marshals to Guard Polls

body. The decision affects over 12000 women and minors in Washington stores and industries.

In the curse of the opinion Justice Van Orsdel spoke thus of wage-fixing the Alles.

That is becenting increasingly difficult is felt today in circles both friendly and inimical to the present labor for the highest wage which his a limited to the present is abort of the highest wage which his a limited to an automaton—a mere creature of the state. It is paternalism in the highest degree, and the struggle of the centuries to establish the principle that the state exists for the clitzen, and not the clitzen of the state. It is paternalism in the belance of the Constitution—the general power of Congress at to fix wage contracts between private and to the clitzen of the state of certain legislation—the general power of Congress at to fix wage contracts between private and to the clitzen of the state of the constitution—the general power of Congress at the fixed wage. If it may may name a fixed wage. If it may name a fixed wage. If it may name a fixed wage. If it may name a fixed wage between the constitution of the constitution—the general power of Congress at to fix wage contracts between private and to the vages to be paid men. The labore revealed the wages to be paid men. The labore revealed the wages to be paid men. The labore the constitution of the co

ative direction and yet remain in the government in order not to surrender leadership entirely into the hands of Stinnes and those elements which, un-able to destroy the new order by direct attack, are trying to smash it through flank assaults, by means of organized economic pressure.

This week, therefore, is regarded as

This week, therefore, is regarded as pregnant with serious possibilities. Besides to-night's rejection of the German proposals by the Reparation Commission, the issuance to-day of the Reichsbank's report for the last ten days of October has added to the general feeling of pessimism. The report shows the issues of 59,500,000,000 new paper marks, making a total paper circulation of nearly 470,000,000,000 marks. Rescuers Working Along sion in Spangler Shaft

Women, Children Keep Vigil in Rain 30 Gassed and Injured

Suck Out Deadly Fumes Ifty and sixty miners are believed to have been killed here to-day, fifteen are seriously injured and more than

set to drawing off the deadly gas. Rescue parties were immediately reshed to the spot, and the local relief workers were augumented by J. J. Bourquin, Assistant Chief of the Unittrain with a staff of assistants, and is now in charge of the rescue work. The

pottom of the shaft were probably in good air and safe.

The bodies of dead miners are trewn all along the energed from the shaft to-night. Nothing is being done with the bodies of the dead as yet. All efforts are being concentrated on getting out those in whom a spark of life may be left.

may be left.

"A good deal of the mine remains to be explored," said Mr. Bourquin to-night. "If there are any live men in those sections it won't take us long to get them out." Partial List of Rescued

# were taken along to test for gas fumes. (Continued on page thirteen)

tion of a bill establishing national announced to-day by the General Fedtration of Women's Clubs, which has authorized Mrs. Edward Franklin White, Depray Attorney General of Indiana, to draft the bill and a resolution amending the Constitution of the United States if such a course is necessary to make possible a Federal marital Provisions of the bill marriage.

"For this fiscal year, 1923," he said, "we expect to run the government on 182,000,000,000, a reduction of \$2,000,000,000 from the cost of government in 1921, and nearly \$500,000,000 less than in the last fiscal year. "It is going to be hard to make further reductions, owing to the fact that the interest on the public debt and sinking fund, relief of veterans of the world War and pension."
